Chinese Will Meet Wreckers In Exhibition Game At Post

Local Players Will Go to Schofield for Clash With 25th Infantry Team—Kim Luke Says He Will Have Strong Lineup to Oppose Wrecking Crew—All-Stars May Play at Moiliili—Samoan Wonder Pitches at Moiliili Field on Sunday Next

The first inter-league game of the season will be played at Schofield barracks on Sunday when the 25th Infantry team of the Oahu-Service league will meet the Chinese of the Honolulu league in what is expected to be a fast game.

Manager Kim Luke said this morning that he would have a strong team in the field against the Wreckers. This is one of the teams of the Honolulu league which has been playing fast ball, and will without doubt put up a good exhibition against the island champions.

The Chinese will have Hoon Ki and Luck Yee ready to go on the firing line with Kan Yen behind the bat. Kuallil will play first base with Leong at second. Kai Luke and Swan will play at short and third. This is a fast fielding combination, and if the team can hit should give the fans of Schofield an interesting game.

Fast Outfield
Kim Luke will have En Sue, Yen Chin and Cheong in the outfield. En Sue is popular at Schofield, and will be a good card for the Chinese team. Yen Chin has been playing good ball for the Schuman Carriage Company and will without doubt be ready for a hard game. Cheong, who has been one of the stars on the E. O. Hall aggregation, will take care of one section of the jungle.

It is uncertain which pitcher will oppose the Chinese, but Rogan or Jasper may go on the mound. Rogan pitched a beautiful game the last time out, and may be sent in again. It is Jasper's turn to pitch, and it is a good guess that Jasper or Jackson will be selected to go on the firing line.

In the amalgamation of the two leagues, the Chinese team is one which will naturally be considered by both factions, and given plenty of strength should be a factor in the circuit. Kim Luke said today that he expected to have a strong team in the Sunday game and was going out to win.

Games at Moiliili
The All-Stars may be seen in action against the Ruger Giants on Sunday at Moiliili field. This game has not been settled as yet, but arrangements are now being made for a game for the All-Stars. This team has been immensely popular with the fans, and the same may be said for Ruger.

PROSPECTS LOOK BRIGHT FOR GOOD LEAGUE IN CITY

Representatives Will Meet This Evening to Discuss Baseball Situation Here

Prospects look bright for the future of baseball in Honolulu among the major teams, and it is expected that the situation will be cleared after a meeting which will be held this evening at the office of Billy Miles in the Elite building.

At a meeting yesterday afternoon at the Star-Bulletin office Senator A. L. Castle presented a proposition from Athletic park which was discussed, but no action as to where the various teams would play was taken. Senator Castle said that he could not guarantee the use of the park until the end of the year.

It is thought that there will be no trouble in reaching an understanding at the meeting this evening, as both leagues are gradually coming around to the idea that a strong league would do much to boost baseball. The Honolulu League has admitted that they have not made money in the series at Athletic park, but with the All-Stars, 25th Chinese and other teams in one league, the prospects are unusually bright for good attendance.

Senator Charles Chillingworth appointed a committee of six to arrange for an amalgamation of the two leagues. This committee will meet this evening and report back to the Oahu-Service League at the meeting on Tuesday at the Star-Bulletin office. The members of the committee are H. S. Canario of the All-Army, Kim Luke of the Chinese, J. E. Higgins, manager of the Oahu-Service League, W. B. Stewart of Fort Ruger, Billy Miles, manager of the Pacific League, and Owen Merrick of the Filipinos.

The White Mountain Express on the Boston and Maine railroad crashed into an automobile containing eight passengers at Winniequam Crossing at Belmont, N. H., killing Mrs. Grace Woodward, of Northfield, and injuring other members of the party.
